

Plano Orthopedic Sports Medicine & Spine Center, PA

A full-service medical facility, Plano Orthopedic Sports Medicine & Spine Center has evaluated and treated Dallas/Fort Worth Metroplex patients with orthopedic injuries for over 30 years. Staffed by 10 orthopedic specialists and one physical medicine/rehabilitation physician, it provides a full range of high-quality, individualized specialty care and services related to the musculoskeletal system. Since 2003, peers have recognized its physicians in *D Magazine's Best Doctors in Dallas* and in *Super Doctors*[®]. These board-certified, fellowship-trained orthopedic surgeons include:

F. ALAN BARBER, MD, FACS, specializing in knee and shoulder arthroscopy. A frequent lecturer, author and instructor, he has performed more than 13,000 procedures to correct knee (cartilage and ligament injuries) and shoulder (rotator cuff, biceps tendon, dislocation) problems.

RANDAL L. TROOP, MD, specializing in sports medicine and arthroscopic surgery of the knee and shoulder. Team

physician for the Frisco Roughriders, he treats athletes of all ages and levels ranging from professional to recreational to get them back to their sport and back in the game.

STEVE P. COURTNEY, MD, specializing in reconstructive surgery of the neck and back. Known for operating only with crystal-clear indications and proven techniques, he is founder of Plano Orthopedic's Spine Division.

WILLIAM K. MONTGOMERY, MD, specializing in total hip, total knee and partial knee replacement. Trained in adult reconstruction, he focuses on individualized treatment plans for the whole patient.
